

## Saving the Environment

Breeze Thru recycles 70% of our water and uses only environmentally friendly soap making it better for the environment than a “do-it-yourself” wash!

## Less-Hassle Fundraising

- No “stock” to buy and store.
- No future “delivery” dates- like candy sales or seasonal items.
- No “mess”- we’ll take care of the actual washing of the cars!

Two words...  
**CONVENIENT and EASY!**

## Could your school or group use some extra money for programs and events?

### Breeze Thru's Fundraising Program

Breeze Thru Car Wash believes that for a community to continue to thrive it requires the efforts of all its members. As such, we welcome the opportunity to serve and benefit our local neighbors with an exciting fundraising opportunity.

- **Voucher Program:** Hand out or email Breeze Thru Car Wash Card vouchers and receive a 20% donation for each Car Wash Card sold.
- **Raffle, Auction and/or Door Prizes:** Breeze Thru will donate Wash Card vouchers, Wash Cards and/or Gift Bags to be used as prizes or auction items for fundraising events.

#### How the Car Wash Card Voucher program works:

- Choose fundraising dates then 6 weeks before start, contact Andrea Agnew.
- Fill out the Fundraising Contract and provide a \$30 printing fee.
- Specify the number of customized Car Wash Vouchers needed.
- Distribute Car Wash Vouchers.

As people bring Car Wash Vouchers to Breeze Thru to purchase the Wash Cards (in any amount over \$15.00), we will keep track of the dollar amount purchased and write a check to your charity for 20% of total sales at the end of the designated fundraising campaign period.

### Advantages of the Breeze Thru Voucher Fundraising Program

- **Sell a service everyone can use:** a high quality car wash.
- **Low up front cost:** \$30 to print the customized vouchers.
- **Flexible:** supporters can redeem their wash voucher at any time during the fundraising campaign.
- **Raise money quickly with no "stock" to hold:** Breeze Thru donates 20% of the value of Wash Cards sold.
